This matter comes before the Public Service Commission of South Carolina (the Commission) on the request for reconsideration filed by Duke Power Company (Duke or the Respondent). This docket involves a complaint filed by Clemson Power Partners, L.P. and Peregrine Energy Corporation (Complainant) against Duke regarding the Westpoint Stevens Cogeneration Project and issues relating to the Power Agreement with Duke.

On December 15, 1994, the Complainants filed a Motion for an Expedited Hearing in this matter and requested a hearing date no later than January 20, 1995. By Order dated December 21, 1994, the Commission granted the Complainants' request to expedite the hearing in this proceeding. On December 22, 1994, the Respondent Duke filed its request for reconsideration of the Commission vote regarding the granting of the Motion for the Expedited hearing. By its Motion, Duke respectfully requests that the Commission

reconsider its decision to set an expedited hearing in this docket.

The Commission believes that oral arguments are reasonable in order to clarify issues in this matter. The Commission would like to hear the respective arguments of the parties in greater detail. Therefore, the Commission directs that the Staff shall set oral arguments regarding the request for reconsideration of the Commission vote for Wednesday, January 4, 1995, at 2:30 P.M. or until such time as the Commission may conclude the case scheduled prior to the oral arguments. This Order shall remain in full force and effect until further Order of the Commission.
